CECTION C. FEDERALLY ELICIPLE INDIVIDUAL INFORMATION					
SECTION 6 FEDERALLY ELIGIBLE INDIVIDUAL INFORMATION					

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), guaranteed availability of individual coverage means that if you are HIPAA eligible, you cannot be denied the right to buy individual coverage. In addition, a preexisting condition exclusion cannot be applied to your coverage.

You are HIPAA eligible, also called an "eligible individual," if **ALL** of the following are true at the time you apply for individual coverage in Idaho.

- You are not covered under another group health plan
- Your most recent coverage was not cancelled because you did not pay your premiums or because you committed fraud
- · You are not currently eligible for Medicare or Medicaid

If you are HIPAA eligible, you will lose your right to get individual coverage without an exclusion unless you submit an application for individual coverage within 63 days after the day your group coverage or continuation coverage ends. Act promptly to protect your rights.

SECTION 7 AFFIRMATION

I affirm the answers in this "Idaho Individual Application" are complete and correct. I am providing these answers as part of the application procedure required by this insurance carrier to enroll in its insurance coverage. I understand that the insurance carrier will rely on each answer in making its determination to extend coverage and to determine the type of coverage offered. I understand if I have made any misstatement or omission in this application, the insurance carrier may take any action available by law, including but not limited to, retroactive adjustment of premiums or claims. Further, I understand that any fraud or intentional misrepresentation of material fact in my completion of this application is cause for retroactive termination of coverage by the insurance carrier and/or other action available at law. I will promptly inform the insurance carrier in writing if anything happens before my coverage takes effect that makes an answer on this application incomplete or incorrect. Following receipt of a fully-executed application, coverage will be in force as of the effective date determined by the insurance carrier under applicable law.

SECTION 8

STATEMENT OF UNDERSTANDING

By signing this application, I represent that all my answers are complete and accurate to the best of my knowledge and belief and that I understand and agree to the following conditions:

- No independent producer, agent or employee of the insurance carrier can change any part of this application or waive the requirement that I answer all questions completely and accurately.
- The insurance carrier may terminate or rescind an insured's coverage for any intentional misrepresentation, omission of fact by, concerning, or on behalf of any insured that was or would have been material to the insurance carrier's acceptance of a risk, extension of coverage, provision of benefits or payment of any claim.
- If this application is approved, coverage for me and any eligible persons named on this application will begin on the effective date assigned by the insurance carrier.
- · I understand that this application will become part of the contract between the insurance carrier and me.
- I affirm that I have reviewed all answers given on this application and, regardless of whether an independent producer or other person has
 filled out the answers for me, I verify that the answers are true and complete.

SECTION 9

PREEXISTING CONDITION WAITING PERIOD (OVER 19 YEARS OF AGE)

NOTICE OF PREEXISTING CONDITION LANGUAGE: I understand that until the first plan year beginning January 1, 2014 or later, a waiting period for preexisting conditions may apply. This means if you have a medical condition before coming to our plan, you might have to wait a specified period of time before the plan will provide coverage for that condition. This exclusion applies only to conditions for which medical advice, diagnosis, care or treatment was recommended or received within a six-month period. Generally, the six-month period ends the day before your coverage becomes effective. However, if you were in a waiting period for coverage, the six-month period ends on the day before the waiting period began. This preexisting condition exclusion does not apply to pregnancy nor to individuals under the age of 19 years beginning upon the policy renewal on or after September 23, 2010, as provided in the Patient Protection and Affordable Care Act (PPACA).

This exclusion may last up to 12 months from your first day of coverage, or if you were in a waiting period, from the first day of your waiting period. However, you can reduce the length of this exclusion period by the number of days of your prior "creditable coverage." Most prior health coverage is considered creditable coverage and can be used to reduce the preexisting condition exclusion if you have experienced a break in coverage of at least 63 days. To reduce the 12-month exclusion period by your creditable coverage, you should give us a copy of any certificates of creditable coverage you have. If you do not have a certificate, but you do have prior health coverage, we will help you obtain one from your prior issuer. There are also other ways that you can show you have creditable coverage. Please contact us if you need help demonstrating creditable coverage.

SECTION 10 PARENTAL OR GUARDIAN CONSENT TO APPLICATION

By completing this section and signing this application, I represent that the person listed as the applicant on this application is under 18 years of age and is making application for health coverage with my full knowledge and consent. I hereby accept full responsibility for the payment of premiums and the answers and information provided in this application.
